Roland Atelier AT-900 \$3000 off

From Kathy's Desk

We had a fantastic 20-Year Anniversary Party in March with Bobby Speaker returning to party with us.

It's not over yet folks, I just signed another two year lease with Northgate Mall. Usually, I just sign a one year lease every year, but this year we are planning ahead. Many of the people that were in the music business with me years ago have closed their shops and retired, but this is Cincinnati and everything here happens 20 years after the rest of the country—at least that is why Mark Twain chose this as the place to be at the end of the world. I can't promise 20 more years, but let's try for at least a couple more. We're having too much fun to quit. It can't be done without your help. You are the reason the gate is open and music happens. Thanks to the managers of Northgate Mall for being so helpful and working to keep the Mall looking nice.

We all hear pundits telling us how horrible things are, but they must be very young and inexperienced because things have been

lots worse and a little love, a helping hand and a sense of humor makes a BIG difference. And let's not forget a song in your heart.

Thanks to Cheryl Scarborough, Chris Lackey, Marella Broxterman, John Zulli and George Tallman for helping us daily. I was exposed to covid and had to isolate—tested negative—and they kept the store open.

Romance is in the air. Adult student Dan Unger's daughter got married this summer. John Zulli's son sang with a group in France and used the opportunity in Paris to ask his girlfriend to marry him—she accepted.

I've scheduled lots of workshops to help students play better. None of this is rocket science, just some help to make your music more expressive and lots more fun. Try to put these in your schedule. These are open to all, but group and private students will benefit most.

Bring your friends to the concerts and parties. Everyone loves them!

Enjoy your summer and stay healthy.

Many Thanks to Bobby Speaker for our wonderful 20th Anniversary Concert!

Congratulations to all the new instrument owners!
