From Kathy's Desk

Happy 2026! Let's try to survive January and February! Winter temperatures started early this year. Let's hope they end early too. I am praying for an early spring.

After years of only closings, Northgate Mall is finally **OPENING** new venues: **CR Deals** and **Epic Entertainment**. We hope this is a new beginning!

We had a fantastic summer and fall. Deacon Edwards blessed the new store and **Bil Curry** and **Dave Brown** introduced us to the latest **Lowreys**. **Chris Johnston** and **Mike Flanagan** set up a real pipe organ in the store. If you haven't tried playing it yet, stop by the store and take it for a spin.

The **Holiday Concerts** were great fun and brought the holiday spirit to friends and family.

My daughter **Robin** and I took a short trip to **London** to visit my daughter **Cassie** and her family. We had not been together for the holidays in **10 years**. **London** was beautiful! My grandson **Tobias** is brilliant and is a better piano player than his mother or grandmother at that age.

I was really impressed by **London** department store **John Lewis'** personal stylist program. You make an appointment for a free consultation with a knowledgeable personal stylist that chooses clothes that fit your body, lifestyle and budget. In this way, **John Lewis** stays relevant in the days of online shopping.

Stop by the store to see our fantastic organ and piano inventory --all at bargain prices. We have **3 gorgeous baby grand pianos**—two of them are computer player pianos.

Sign up for parties and workshops and field trips. We have a field trip to the new **WVXU** studio, a trip to see and hear the organ play for silent movies at **Music Hall** and a trip to the **Aronoff** to see **Lion King**. We can only have **15** for **WVXU** and need to get our money in early for **Lion King**. Our group tickets are **\$45** and **\$65** whereas the cheapest regular tickets are **\$159!**

It is flu season again—everyone stay healthy! If you don't feel well or are around anyone with the flu, don't come to class. Prayers for all those that are ill and for their caretakers!

Keep playing!
