From Kathy's Desk

It certainly isn't winter anymore and we are still here. There are all sorts of rumors about Northgate Mall. Yes, the Mall is up for sale, but it has been sold 4 times since I opened the store here. No one knows what tomorrow will bring and if they say they do, they are foolish. Enjoy our classes, workshops, fieldtrips and concerts. Bring your friends! This is one of the few organ and piano stores in the whole US! You are the reason we can still do this. I appreciate your participation and support. This is our 25th year—not as old as the US—but we are still special. I don't have space to thank all of you that have kept us going: Marella, John Zulli, Cheryl, George, Chris, Gretchen, Smooth Moves, Tri State Organ Service and many more.

Besides the classes and parties, we have toured the new WVXU public radio studio and enjoyed "The Lion King" at the Aronoff. Adult organ student Emily Hogeback and her family bluegrass band brought us a foot stomping good time.

We are all really excited about the upcoming Student Summer Concert , Sunday, July 26.

We will have another piano/organ duet concert on September 20 with the fabulous Bobby Swingley and Chris Johnston.

We will raffle off a furnished, miniature music mansion on the last day of our Holiday Concert, November 15. A \$10 ticket will give you a chance to win. Stop by the store to check it out!

Invite your friends to enjoy our programs and see our fantastic selection of pianos and organs at the best prices in country! George delivers from coast to coast.

Lastly, keep John Lierer's wife Connie in your prayers. She is quite ill. Also prayers from Lenora Duvall's family. She passed just 2 days after her smile graced our visit to WVXU.

Keep playing!
